

THE LAKE

It was not a real place.
Moments that I painted with various colors, are now black and white.
Stealing feelings makes you a thief.
I was at your side, but you dressed like a thief in that night.

I heard that in the hills above the lake.
There is no sound and water flows easily.
Where flowers are born and feelings die.
It seems like a good place to cry.

CHORUS: Now I'm here, trying not to write.
For I always wish for a star.
To heal the scars of others.
But now I'm bleeding.
This destination was not meant to be mine.
That night I did not receive the invitation.
I didn't know until I saw the photos.
Not everything that shinning is gold, and some people poison your soul.
Things happen and shake your head.
Now I am alone in this lake.
Thinking about what I could write.

In this place flowers are born and tears fall.
Something good can come from a sad feeling.
Even if it's small. I realized when my thoughts weren't spinning.

I heard that in the hills above the lake.
There is no sound and water flows easily.
Where flowers are born and feelings die.
It seems like a good place to cry.

CHORUS

We were prepared for the surprise behind a door.
The lights came on and you screamed with happiness.
And said: I Never have I ever this before.
At a time when I canceled plans just in case you would call.
When I was livin 'for the hope of it all.
